

ECID Constituent Feedback Summary

This document summarizes constituent feedback received across all four ECID districts, organized by service category.

District 1

Business & Commercial Development:

- I've noticed new shops opening in District 2. Will there be additional openings in district 1?
- Why do national chains keep getting incentives, but we don't support local entrepreneurs?
- Not enough support for small businesses

Equity & Representation:

- Latino businesses bring in the majority of revenue in my district. There needs to be bilingual signage for cars or pedestrians.

General:

- The senior center is in need of repair, can we reconsider in place of a pickleball court?
- Need more kids events in summer.
- Fall fair has been cancelled, replacement ideas needed.

Planning & Development Concerns:

- Not enough medical specialist, I have to drive 40 minutes to mercy hospital.

District 2

Business & Commercial Development:

- Can the county help small business owners with startup funding or low-rent storefronts?
- I want to open a restaurant that is tailored toward north african cuisine, are there any incentives for cultural business developments?

Infrastructure Public Works:

- The sidewalks in my area are broken and dangerous—especially for seniors.
- Need better lighting and crosswalks near the school in District 2.

Planning & Development Concerns:

- That dilapidated old warehouse site in district 2 needs demolishing.

District 3

Business & Commercial Development:

- Is there any support for Black entrepreneurs trying to open businesses in District 3?"

Planning & Development Concerns:

- How is the county making sure new developments include affordable housing

District 4

Business & Commercial Development:

- Why does District 4 have no grocery store? We have to drive across town to get basic stuff.

General:

- The Fall Fair has been cancelled.

Housing & Neighborhood Issues:

- Why are there so many vacant houses in my neighborhood? Can the county do something about all the boarded-up properties in District 4?
- We need more affordable housing options. My kids can't afford to live here anymore.
- Thank you for the home improvement grants, our HOA has seen a lot of improvements.
- When is the county going to clean up the lots near 8th Street? It's an eyesore and attracts crime.

Planning & Development Concerns:

- Possible squatters and code violations
