Tour Operator and Sites Visited

This tour is operated by TakeWalks.com, a premier provider of guided experiences in New York City. The tour includes visits to two of America's most significant historical sites: **Statue of Liberty:** The universal symbol of freedom and democracy, standing tall in New York Harbor since 1886. You'll have exterior access to this magnificent monument and learn about its fascinating history and construction. **Ellis Island:** The historic gateway for over 12 million immigrants to the United States between 1892 and 1954. The Ellis Island National Museum of Immigration houses powerful exhibits that tell the stories of those who came seeking a new life in America.
