Case: Surveillance Investigation

Case Number: MERC-1410PI-2025

Subject: Wife

Vehicle: 2010 four-door sedan, white (Registration number 12345)

Location: 725 Empire Road

Date: July 3, 2025

SUMMARY

On July 3, 2025, surveillance was conducted on the subject (wife) from 7:25 p.m. to 1:20 a.m. The subject initially attended what appeared to be a book club meeting at 521 Reading Street at approximately 9:00 p.m. However, at 10:00 p.m., she departed and traveled to 673 Cheater Lane, where she was observed engaging in intimate behavior with an unidentified male. The subject remained at this location until 11:57 p.m., at which point she departed alone with disheveled appearance, suggesting possible intimate activity. She returned to her residence at 1:20 a.m., concluding the surveillance period.

SURVEILLANCE

7:25 p.m.: Investigator arrived at 725 Empire Road; subject's vehicle was parked in front.

7:45 p.m.: Subject departed residence, entered her vehicle, and drove away.

9:00 p.m.: Subject arrived at 521 Reading Street, identified as a book club venue by signage. Subject was observed greeting and hugging multiple women through the establishment's window.

10:00 p.m.: Subject departed the book club and entered her vehicle. Surveillance vehicle followed.

10:30 p.m.: Subject arrived at 673 Cheater Lane, a single-family residence with brick and vinyl siding. An unidentified male greeted her with an embrace.

10:32 p.m.: Subject and male entered the residence together while holding hands.

11:57 p.m.: Subject exited the residence alone. Her hair appeared disheveled, and she was observed buttoning her shirt, suggesting recent intimate activity.

1:20 a.m.: Subject arrived back at her residence (725 Empire Road). Surveillance concluded upon subject's entry into her home.

ASSESSMENT

The surveillance revealed that while the subject did attend a book club venue, she subsequently engaged in suspicious activity inconsistent with a typical book club schedule. The subject's visit to 673 Cheater Lane and her physical appearance upon departure strongly suggest an extramarital affair. Photographic evidence corroborates all significant observations detailed in this report, including the subject's interactions with the unidentified male and her disheveled condition when leaving his residence.
